Update on Bay Point Found Body Case

An autopsy was conducted this morning on the body of 27-year-old Chanin Andersen of Southern California. The cause of death is pending the results of toxicology tests. During the autopsy, no signs of trauma or foul play were found.

Detectives continue to investigate this as a suspicious found body case.

On Sunday, March 31, 2019, at about 12:29 AM, Muir Station Deputy Sheriffs responded to a report from several callers of a suspicious circumstance regarding a woman who was found on the ground. Deputies arrived and located a woman lying on the sidewalk on Suisun Avenue near North Broadway Avenue in Bay Point. The woman, who was later identified as Andersen, was pronounced deceased at the scene. Detectives from the Office of the Sheriff homicide unit and Crime Lab responded.
